

Lithuanian Art Photography on-line auction

Vintage print by Romualdas Požerskis (b. 1951) "Children near Kaunas castle" from "Lithuanian Old Towns". 1979

Kaunas Photo festival, in collaboration with **CataWiki**, Dutch on-line auction company, is happy to invite you to the first on-line auction of Lithuanian Art Photography, assembling iconic, classical works, rare prints with their biographies on the back, and those of contemporary artists.

The direct link to the CataWiki auction site:

<https://auction.catawiki.com/lithuanian-art-photography>

Thank you for taking a look and spreading the word about it to art and photography communities of your reach!

If you fall in love with works presented, place your bids and support Lithuanian living legends and young artists who will benefit from the auction.

The auction ends on Sunday, January 29 at 20:00 CET.
